# Dead Roses

*For the broken hearts...*

dead inside

"To the broken hearts and those that are to be broken, I am here to tell you, there is no sure way of healing a broken heart.

If you succeed in healing it, still the scars are there to remind you of the effort you dedicated in loving your beloved,

But again, love is like war, there is losing and winning, however, there is nothing as painful as being duped in war by the ones you trusted to be on your side for you to win.

Betrayal is worse than death, and to love and be betrayed is same as being accused of crime you never committed.

I have loved. Poured my heart out. Cherished like a mother to her only child. But now, I am broken, I doubt if I have a heart anymore...

It's my wish that you find peace, if you are broken, find more love, if you have none and cherish your beloved if you have one..."

By Unknown.

# The End

I have loved,  
I have cherished,  
I have adored,

I have tried,  
With every bit,  
Of my blood,

But, still I have,  
Ended up with,  
Only broken pieces,  
Of my heart,  
And a weak soul,  
Deprived of happiness,

I give up.

And thus it begins....

For the broken hearts...

To love and not be loved...

Is the greatest of all pains...

## A Con

Wherever you will be,  
*So will I,*

I believed,

I need,  
*I will be with you,*

I devoted my heart,

Now I am here,  
Wrapped with,  
Remaining pieces of my heart,

While she dines,  
With her next to be victim

## *A Fall*

When I loved her,  
That deprived me,  
  
Of friends,  
That could comfort me,  
  
Now that she is gone.

I want to ran,  
On every street,  
And pour out,  
My heart,

Then I remember,  
It was my pride,

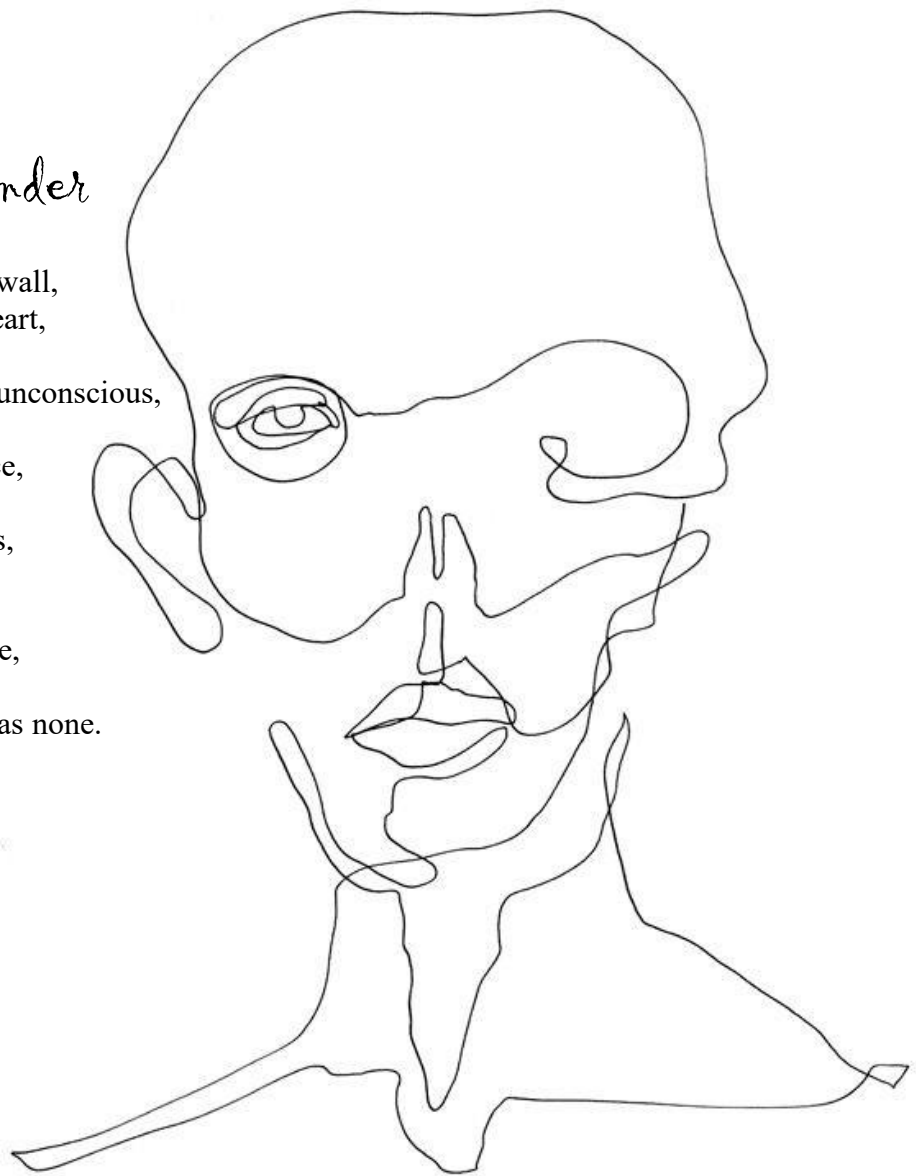

## *A Wander*

Behind the wall,  
Rests my heart,

Weary and unconscious,  
As I try,  
To reminisce,

Of the times,  
I spent,  
Believing,  
I was in love,

Yet there was none.

## *After Pride*

I went wild,  
Cursed my blood,

I believed love,  
Was winning,

Here I am now,  
A beggar,

With no heart,  
No honor.

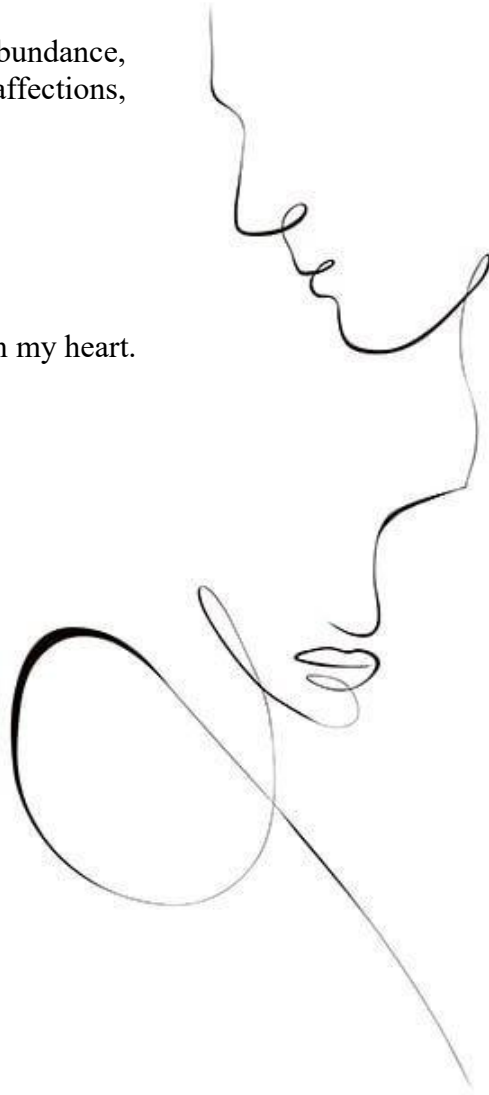

# Blind Loyalty

Like a sheep,  
I followed,

I had thought of abundance,  
I had believed of affections,

I just didn't,  
Know,  
I was to,  
Be on the cross,

With nails through my heart.

## Cease Fire

For love I won,  
For love, I have lost,

There is no glory,  
Anymore,  
Engaging in battles.

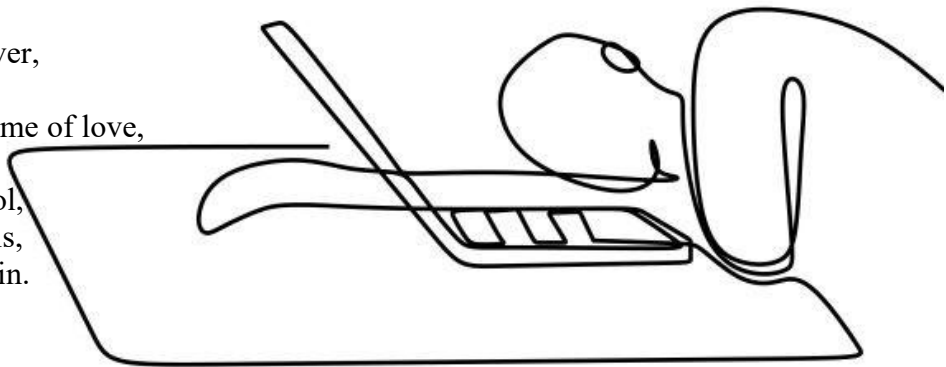

# Checkmate

I thought I was,  
Winning,

When we held hands,  
When our lips touched,  
When our skins,  
Burned together,

I just never,  
Knew,  
In the game of love,

I was fool,  
And fools,  
Never win.

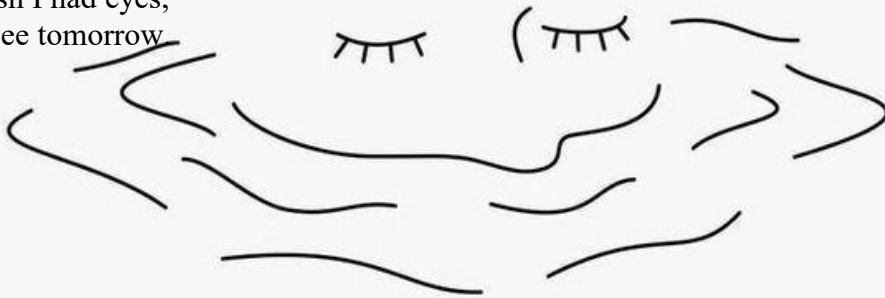

# Crippled

My feet can no longer,  
Make a step,

The path which,  
I treaded,  
In the name of love,

Has left me crippled

I wish I had eyes,  
To see tomorrow

Done

You are loved,  
I believed,

Gave away,  
My heart,

Now I am,  
A toilet paper,

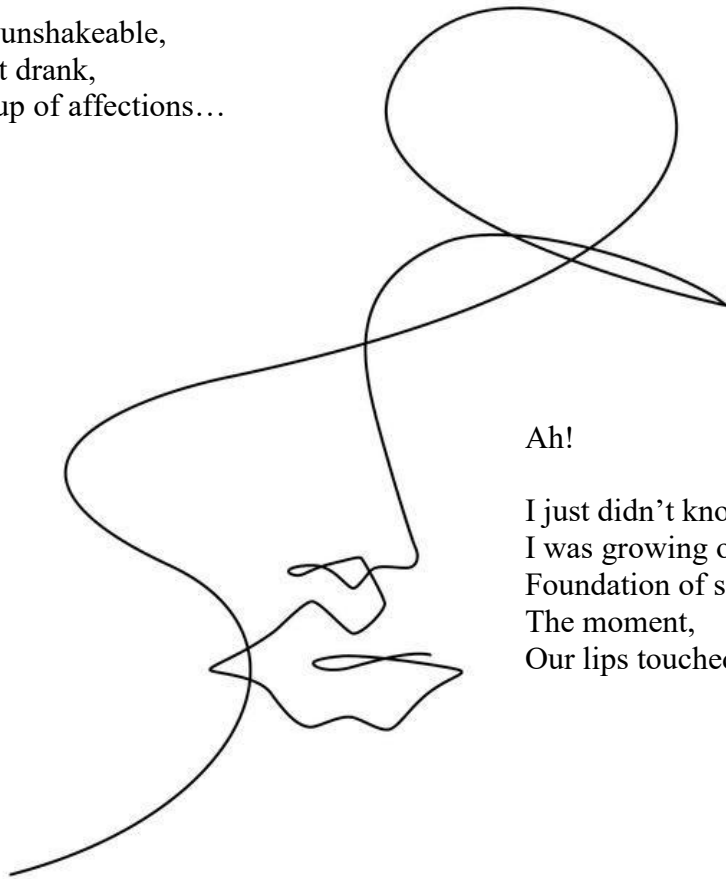

Flushed away,  
After being,

Shoved up,  
Her ass.

## *Falling*

I thought I was,  
A papyrus reed,

Strong and unshakeable,  
When I first drank,  
From her cup of affections...

Ah!

I just didn't know,  
I was growing on the,  
Foundation of sand,  
The moment,  
Our lips touched.

## *False Alarm*

I saw a bleeding heart,  
Raptured in pieces,  
Mend it, my heart said,  
Heal it, my mind seconded,  
Now I am,  
The,  
One,  
Without,  
A heart,

All hospital beds,  
Are taken.

## *For Dumpsters*

Don't go,  
Please,  
Don't go...  
I begged.

I just didn't know,  
My worth,  
Just like a,  
Faded rose,  
Was over.

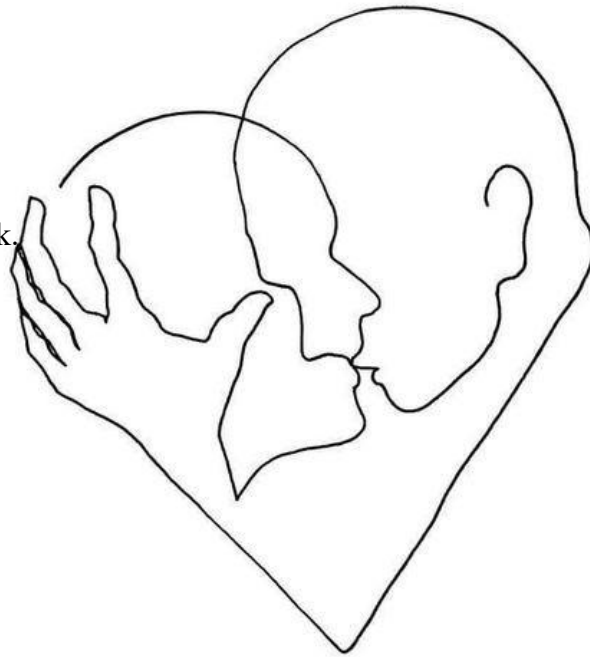

## For Wishes

If broken hearts,  
Could be mended,

Or maybe replaced,  
Then I would,  
Give mine freely,

And never look back.

*How*

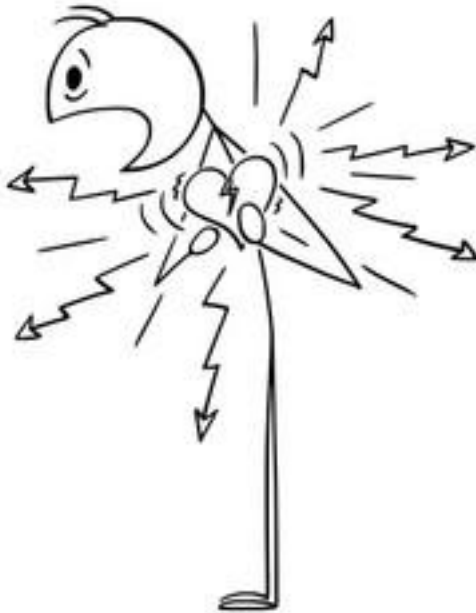

## Fractured

Every day I look,  
At the sky,

I know,  
That my tears,  
Are all in vain,

And the thought,  
Of her,

Will keep tearing,  
Me apart.

## *In Vain*

On my knees,  
I begged,  
Like a deer,  
Dying of thirst,

I repented of sins,  
I knew not,

She was numb,

Her heart was,  
No longer mine.

# *Infinite Pain*

I have cried,  
Wished it,  
Would be different,

But a broken heart,  
Never heals.

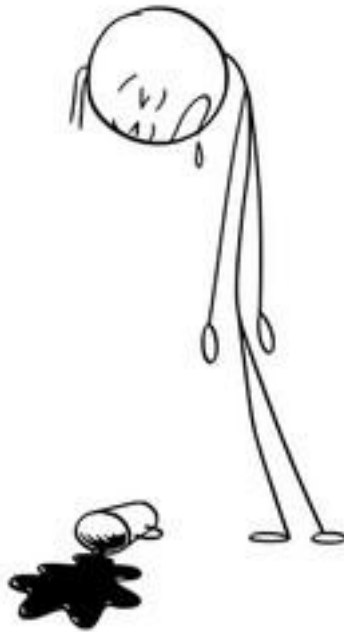

## *Lost*

Lights ahead, she said,  
Vibrance,  
Fragrance,  
So captivating,

I followed,

I'm now on,  
The road not taken,  
And bleeding.

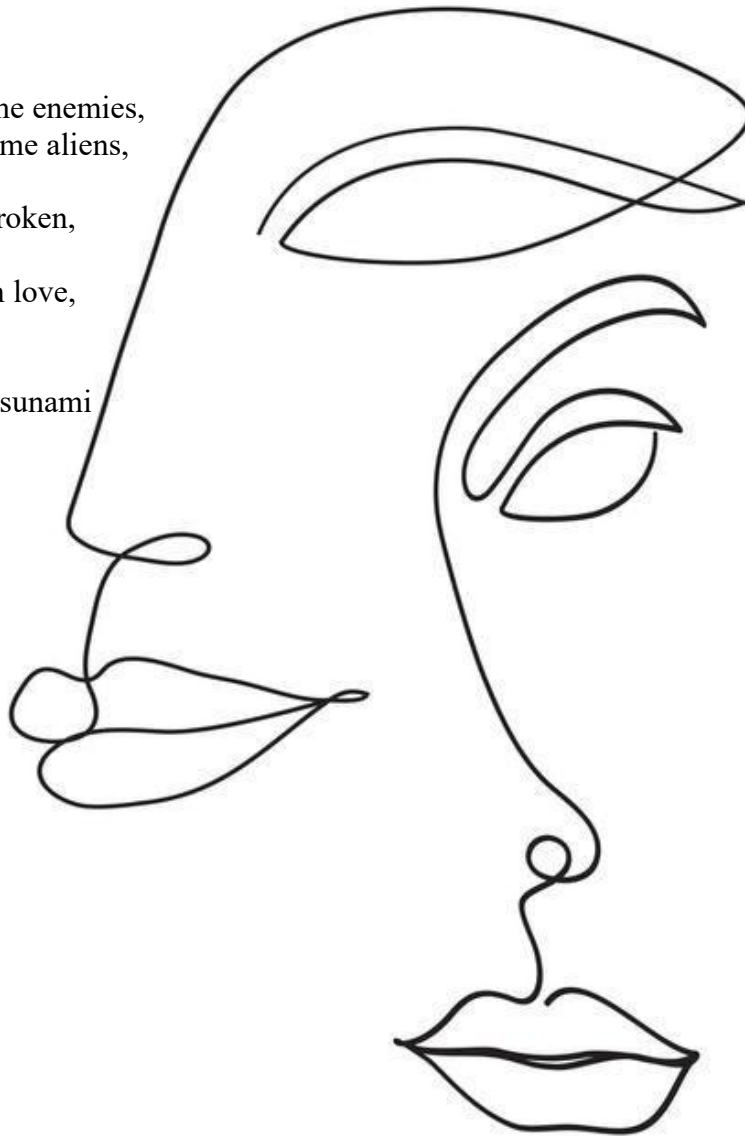

## Love

Friends become enemies,  
Families become aliens,

Treaties are broken,

Because when love,  
Comes,

It becomes a tsunami

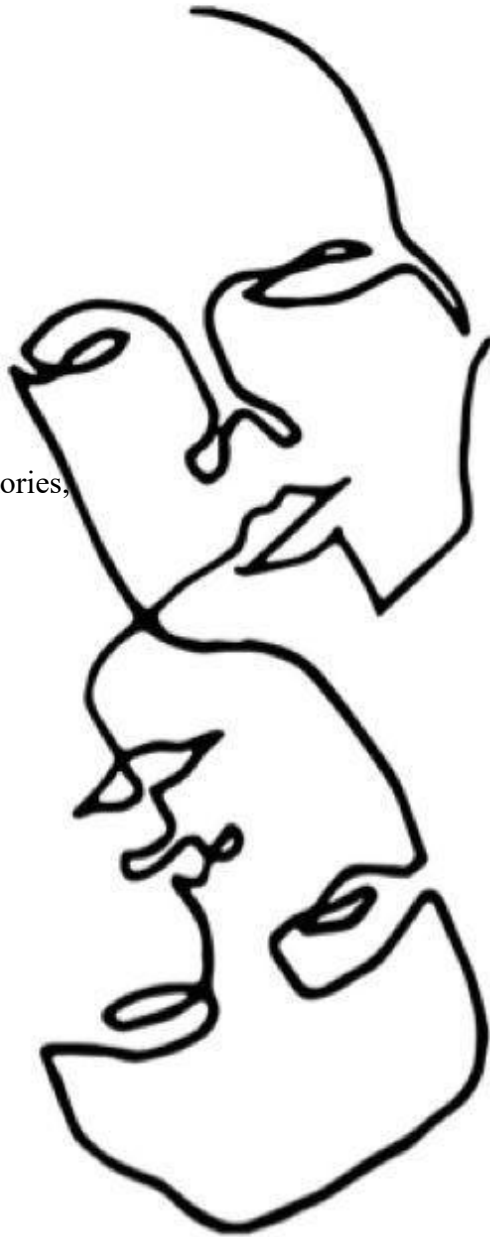

## Memories

Every day I hear,  
The chirping of birds,

My heart aches,  
With greater pain,

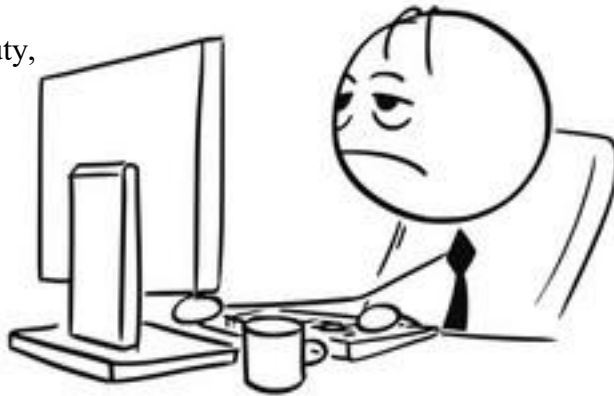

Because I know,  
With every melody,

Comes back our memories,  
Yet she will never,  
Come back.

## Mockery

She said, my heart,  
Shall be your dwelling place,  
You shall dine,  
Merry in its beauty,

I just didn't know,  
I was to be a servant,  
To entertain,  
Those at the table.

## *Narrations*

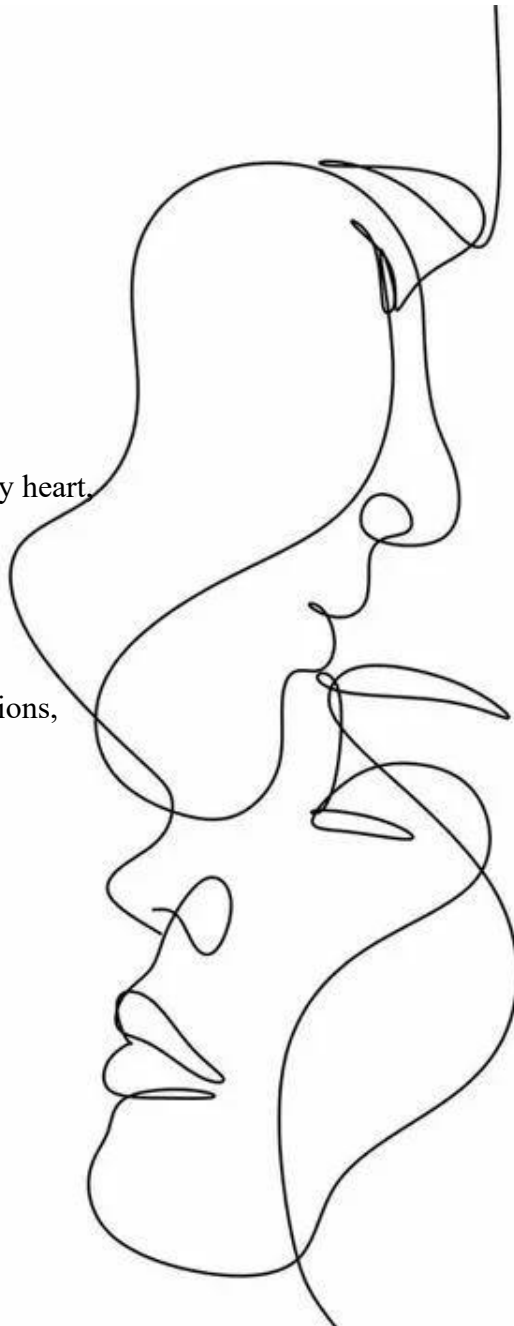

If tears were to speak,  
Then mine would,

They would speak,  
Of broken pieces of my heart,

They would speak,  
Of my raptured trust,

They would speak,  
Of my scattered affections,

Then they would sing,  
Oh heart,  
Why did you believe?  
In what doesn't exist,  
Anymore.

## No More

She said, wait for me,  
I did gladly,

Like a guard waits,  
For the morning,

That is how,  
My misery began,

She was gone,  
Without a goodbye.

---

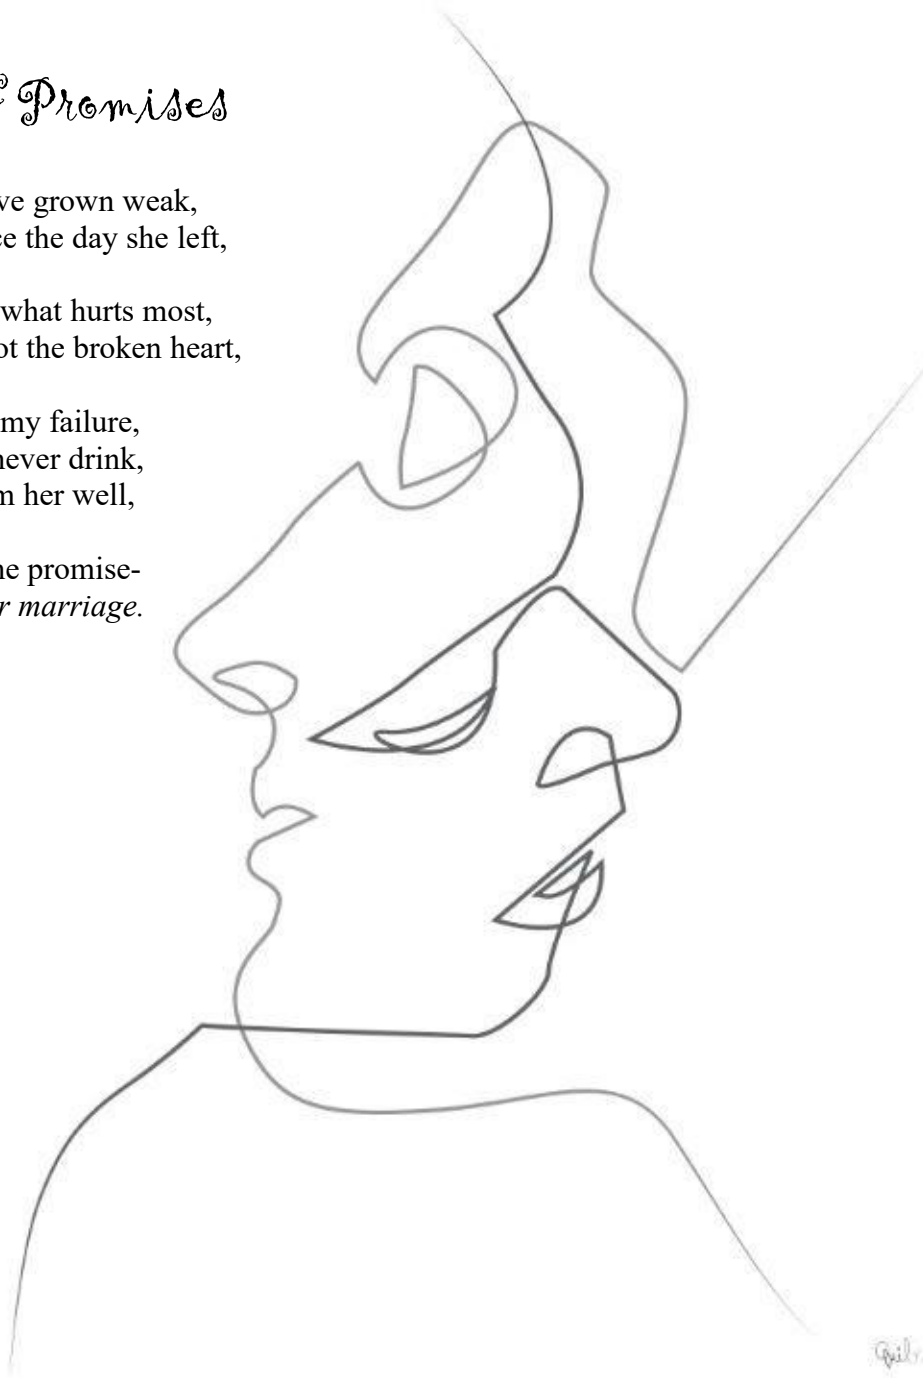

## Of Promises

I have grown weak,  
Since the day she left,

But what hurts most,  
Is not the broken heart,

But my failure,  
To never drink,  
From her well,

In the promise-  
*After marriage.*

# Regrets

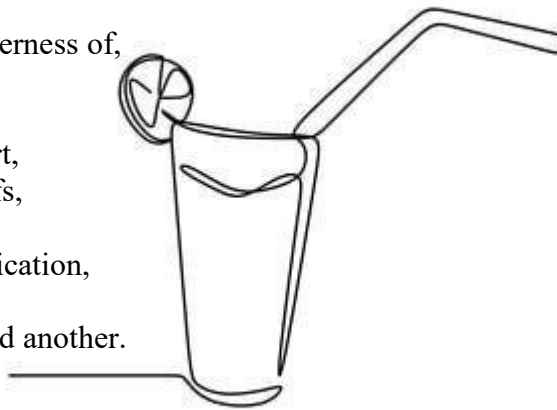

It's not the memories,  
That overburden my heart,

Neither her touches,  
Upon my flush skin,

Nor the tenderness of,  
Her wells,

But the effort,  
Of my beliefs,

And the dedication,  
To love,  
Yet she loved another.

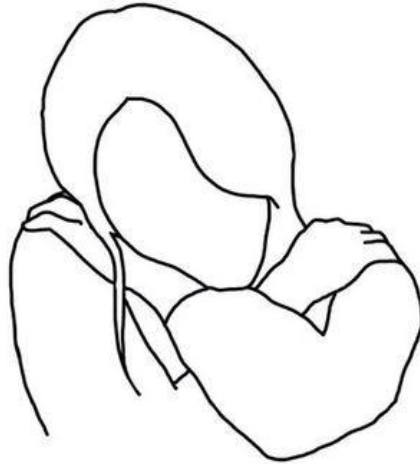

## Rumors

They say I'm insane,  
Because,  
I keep conversing myself,

They just don't know,  
The love,  
I had for her,

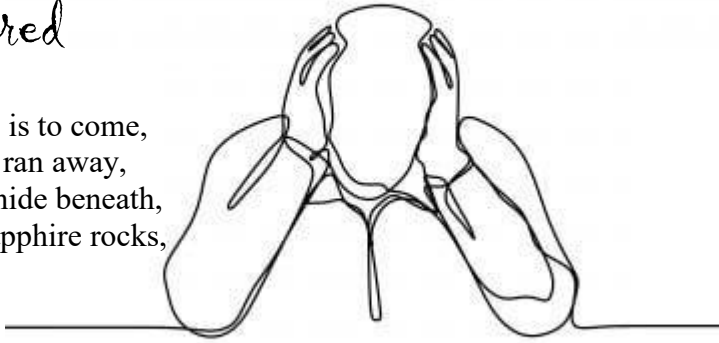

Reminisces me,  
Of her shadows,

I only escape them,  
When I converse,  
Myself.

## *Scared*

If love is to come,  
I shall ran away,  
I will hide beneath,  
The sapphire rocks,

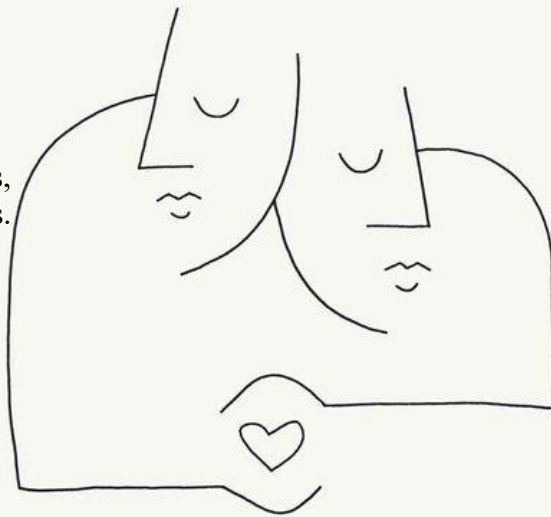

I am tired,  
Of being,  
Slaughtered,  
Again and again.

## Shadows

I have been left,  
In the shadows,

To dance with,  
My loneliness,

While she merries,  
At my brokenness.

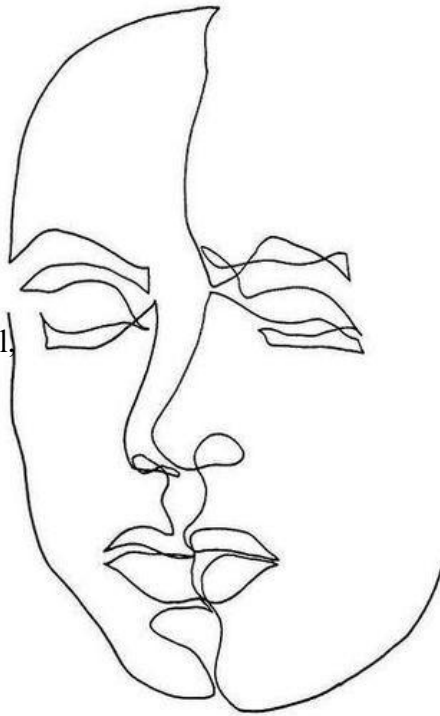

Augusto BM

## *Slow Death*

Slowly, I am melting,  
Weathering like a,  
Leaf with no chlorophyll.

While my beloved,  
Flourishes like,  
Sunflower in autumn,

Oh Love,  
Why take me to heaven,  
This early?

*Jan*

# The Flood

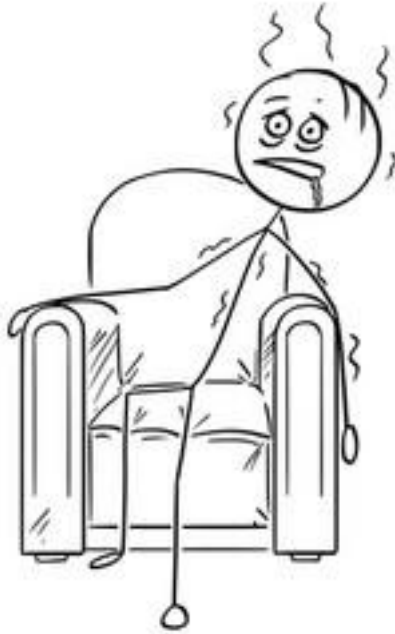

Without shame,  
She looked at me,

With a smile,

I froze,

It's over between us,  
She said coldly,  
And walked away,

Never turning back,  
To see the tsunami,  
She had caused.

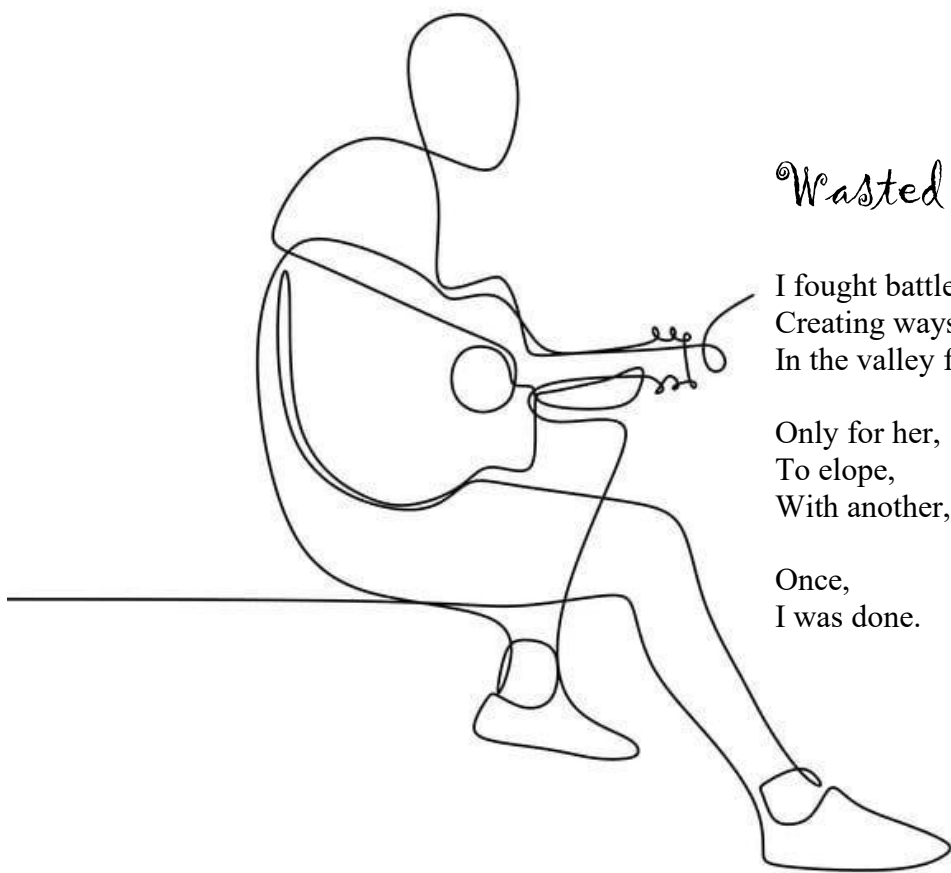

## *Too Late*

Knock! Knock!  
I opened my heart,

With thoughts of adoration,  
With promises of great glory,

Here I am now,  
Drowned in sorrows,  
Wishing,  
I had prayed more,  
Before saying yes.

## *Wasted*

I fought battles,  
Creating ways,  
In the valley for her,

Only for her,  
To elope,  
With another,

Once,  
I was done.
